## PRAYER OF SALVATION

**Say this:**

"Oh Lord God, I believe with all my heart in Jesus Christ, Your only begotten Son. I believe He died for me and that You raised Him from the dead. I believe He is alive today. I confess with my mouth that Jesus Christ is Lord of my life from now on. In the Name of the Lord Jesus, I receive eternal life into my spirit; I'm born again.

**Hurray! You are now a child of God!**

# The Reality of your Divine Health

"They that observe lying vanities  
forsake their own mercy"  
(Jonah 2:8).

**N**o Spirit-filled Christian should ever be subject to any form of sickness. This is what the Word of God shows us. The Bible says, "**Ye are of God, little children, and have overcome them: because greater is He that is in you, than he that is in the world**" (1 John 4:4). You have already overcome everything that is in this world, and that includes sickness and disease, in whatever name it may be called.

Satan has no power of his own. The Lord Jesus completely stripped him of every power when He rose victorious from the grave. But the devil is a deceiver. He tries to make you believe untrue things, like making you think you're sick. Once you start to believe and say those lies out loud, the devil wins because he's tricked you. That picture of sickness he's been showing you is not real.

You don't have to suffer anymore; divine health is your birthright in Christ Jesus. Remember, that's exactly why Jesus came - so you would have life, and have it to its fullest! (John 10:10 CEV).

**TAKEAWAY:** God is bigger and stronger than anything, and because He lives in you, you've already overcome sickness and disease!

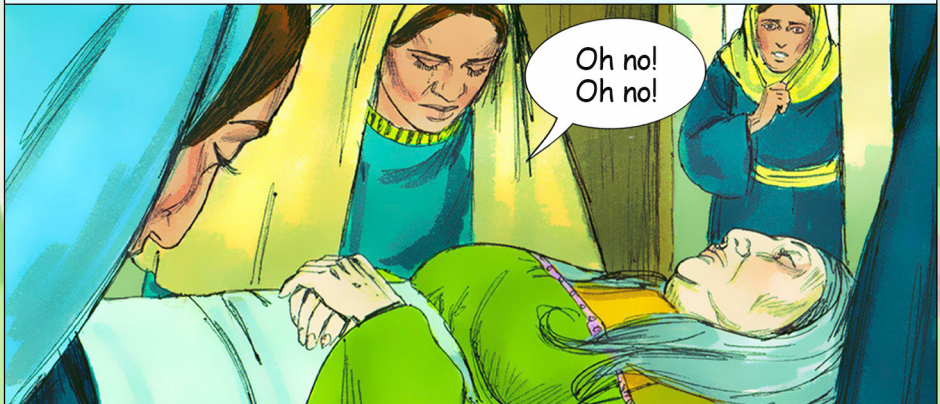

**HEALING  
ADVENTURES  
FROM THE BIBLE**  
**Acts 9:36-43**

# The Dressmaker's **MIRACLE**

In Joppa, Tabitha, a disciple of Jesus, is always doing good and making clothes for the poor (in Greek, her name is Dorcas).

One day, she fell sick and died. Her friends washed her body and placed it in an upstairs room, in preparation for burial.

The disciples hear that Peter, their leader, is in nearby Lydda, so they send two men to find him and bring him to see Tabitha.

Peter arrives at the house and is taken upstairs to where the body of Tabitha lies surrounded by her grieving friends. Heartbroken, they show him the robes and other clothing that Tabitha made for them while she was alive.

**HEALING  
ADVENTURES  
FROM THE BIBLE**  
**Acts 9:36-43**

# The Dressmaker's **MIRACLE**

Peter sends them all out of the room; then he gets down on his knees and prays. Turning to the dead woman, he says...

Tabitha wakes up. He takes her by the hand and helps her to her feet. Then he calls everyone and presents her to them alive. Everyone is happy and many people believe in the Lord Jesus.

## **MEMORY VERSE**

"Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours."

**Mark 11:24 (NIV)**

# Ask Addey

"Ask, and you will receive"  
(Matthew 7:7)

**Michelle from United Kingdom asks,**  
I'm so inspired by the amazing testimonies I've read in the magazine and seen during the Healing Streams. I really want to be able to heal those around me who are sick, just like Jesus and Pastor Chris. What should I do, and what steps can I take to get the same results?

The Name of Jesus Christ always works! You first need to believe and have faith in the power of His Name. Philippians 2:10 says, "That at the name of Jesus, every knee should bow, of things in heaven, and things in earth, and things under the earth."

As Jesus is, so are you in this world (1 John 4:17). Remember, Christ is with you and lives in you through the Holy Spirit. When you speak in His Name, it's as though Jesus Himself is present and speaking. Sickness has no choice—it must leave when you command it in the Name of Jesus! Once you know this truth and believe it completely, you can heal the sick and raise the dead easily.

The testimony you read or watched inspired you because it reminded you of God's faithfulness and revealed what you can also do because the same power is in you. Just do what the person who testified did, knowing that what God did for them, He can and will do for you.

We also have many resources, such as this magazine, that you can use to build faith and make healing the sick much easier.

Yours sincerely,  
**Addey**

# ANNIE'S

## Bright New Vision

One bright, beautiful day in the country of Iran, a sweet little girl named Annie was born. But soon, her loving mom noticed something was different about Annie's eyes. Worried, she took Annie to many doctors but each one told her the same thing—Annie's eyes weren't fully developed, and there was nothing they could do to fix it. Annie had a condition called amblyopia in which one or both eyes don't see well even with glasses.

For seven long years, Annie's mom never gave up but the answer was always the same. One day, she heard about the Healing Streams Live Healing Services and immediately registered Annie for the program, hoping for a miracle.

On the day of the program, Annie and her mom joined the healing line on the live screen with great expectation and excitement. When Pastor Chris called out Annie's name and declared healing over her, something amazing happened.

It was like a light shone on Annie's eyes, and she could see better than ever!

Still amazed, Saba tested Annie's eyes by placing something before her. Before, Annie couldn't see things from far away, but now, she could see clearly! Annie's eyes were healed!

Today, eight-year-old Annie no longer needs glasses, can see perfectly, and enjoys the beauty of the world around her every day.

## LESSON:

Annie's miracle reminds us that God's power is limitless and nothing is impossible when we trust him.
